- Dear Mr Gholamhossein Mohseni Ejei,

I am writing to express my grave concern about the imprisoned human rights defender **Sharifeh Mohammadi**.

Sharifeh Mohammadi is at imminent risk of execution in Lakan prison, Rasht, Gilan province, after Branch Two of the Revolutionary Court of Rasht sentenced her to death for "armed rebellion against the state" (baghi), in a decision issued to her lawyers on 13 February 2024.

In October 2024, Branch 39 of the Supreme Court had overturned her conviction and death sentence, and remanded her case to a lower court for further review.

On 19 December 2024, Sharifeh Mohammadi was tried again during a 30-minute session in a grossly unfair trial. She has been tortured and ill-treated in custody.

Please halt any plans to execute Sharifeh Mohammadi. As member / sympathizer of Amnesty International, I also appeal to you to revoke her death sentence and conviction, and to release her immediately and unconditionally.

- Yours sincerely
